In compliance with provisions S. 84 of the Act, with the Handbook for Selecting Contractors within Operation Programme Research and Development for Innovation, and with requirements of Contracting Authority specified in tender documentation for the public order in question – Contracting Authority announces

cancellation of tender to

„VR 57 Supply of Eye-tracking for Transport R&D Centre”

The reason for the cancellation of the tender is the satisfied statutory condition in compliance with S. 84 (1) (e) and the condition for the cancellation of tender specified in Chapter 14 of tender documentation, stating that just one offer remained for Contracting Authority to evaluate, is met.

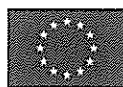

New tender procedure shall be commenced after the opposition period against the decision in compliance with S. 110 (4) of the Act. Contracting Authority shall inform tenderers of a new tender procedure in an identical manner as before.
