

**Dr. Jitka Seitlová, Vice-president of the Senat
of the Parliament of the Czech Republic**

and

ETSC and Transport Research Centre

have the pleasure to invite you to an international conference on

Alcohol interlock technology in the fight against drink-driving in Czechia

Tuesday 30th of June 2026, 9:00 – 13:00

Venue: Senate of the Parliament of the Czech Republic,
Frydlant Lounge - Valdštejnské náměstí 17/4, Prague

In the framework of the **Safe and Sober project**, we have the pleasure to invite you to an international conference on drink-driving and the use of alcohol interlocks.

Representatives from the Ministry of Transport, members of the Senate, National Police, research centre, and university will animate the debate. International experts from Belgium and Poland will share their national legislation on alcohol interlocks as an effective tool to reduce the number of alcohol-related road deaths in their own countries. The event will also cover an overview of the drink-driving situation in Czechia and discuss a potential development of alcohol interlock programmes at national level.

An alcohol interlock demonstration is also planned during coffee break.

The agenda of the conference will soon be available.
